Ubuntu 18.04 Release Party @Gleesons Bar from 3-6pm Saturday 28th April 2018

Are you tired of your Operating System being slow and unresponsive? Do you want to try something different, something that is Free / Libre and Open Source, fast, secure and easy to use?

Come to Gleesons on Saturday 28th April and celebrate the release of Ubuntu 18.04, a software distribution that respects your freedom while providing everything you need to be creative! Bring your laptop or a USB stick and celebrate Freedom!

ubuntu
Linux for human beings!
